MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM : Chief, FBIS London Bureau

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report -- London Bureau -- November 1987

I. GENERAL

1. BBC issued a new modernization timetable during the month confirming earlier reports that the phased changeover to computer operations will be delayed until the spring of 1989 and that there will be delays of 6 months to a year in all other modernization phases. Bureau consolidation is now scheduled for completion in the first quarter of 1992 instead of mid-1991. The computer system that will allow full use of the 11-meter dishes at Crowsley Park is still experiencing software problems and the earliest possible date for acceptance of the system is Christmas. Symbolic of the BBC modernization problems is a picture in the lobby of the two 11-meter dishes with the caption "quiescent sentinels." A decision is pending on beginning preparations for roof renovation as early as January/February 1988. This would force relocation of the Chief Editor and Technical Section offices but not otherwise affect bureau operations.
2. The Embassy announced a number of budget-cutting measures during the month including an FSN hiring freeze, elimination of most part-time and temporary positions and a cutback in GSO maintenance services. None of these measures has yet had a noticeable impact on Embassy support for the bureau.
3. The pound broke through the \$1.80 barrier to reach a 5 1/2-year high against the dollar on 27 November and continued to rise in the final days of the month reaching \$1.83 on the 30th. This does not augur well for the bureau budget, updated last July on the basis of an exchange rate of \$1.70 to the pound. ✓
4. On a happier note, champagne corks popped on 20 November as the bureau marked PMU's 20th anniversary at a wine and cheese party in the BBC function room. The bureau chief led bureau personnel and BBC guests in a toast to the unit's 20 years of achievements, and [redacted] one of the first to EOD in PMU in 1967, served up a birthday cake facsimile of PRAVDA's front page. A message received earlier from Chief, Operations Group noted that "consumers throughout the U.S. Government have benefited time and again from the insights and scoops PMU has provided."

STAT

II. OPERATIONS

A. Editorial/Monitorial

1. The coverage highlight of the month was the 6-day celebration of the 70th anniversary of the Great October Socialist Revolution, launched by Gorbachev's marathon address on 2 November and concluding with the Red Square Parade on the 7th. The bureau received praise from Chief, Analysis Group for its "masterly job" in processing the speech and from Chief, Operations Group for overall handling of coverage during the week.
2. BBC resumed coverage of the weekly Tehran Friday prayer sermons, temporarily disrupted when the sermons were no longer broadcast on frequencies monitorable at Caversham, by using phone feeds of Tehran radio monitored from satellite by Nicosia Bureau.
3. PMU Scandinavian monitor was recruited twice during the month to handle urgent requests for processing from UK TV and radio. The first was a UK TV report on a Kim Philby interview on Latvian TV and the second was Prime Minister Thatcher's 16 November remarks on defense and INF. Plans are now underway to recruit sufficient English monitoring capability from bureau staff to cover UK TV and radio during CPSU General Secretary Gorbachev's 7 December stopover in England en route to the Washington summit.
4. A program of 2-day briefings has been set up to familiarize PMU personnel with FBIS editorial, including Tabs and communications, and BBC operations.

STAT

B. Communications

1. While coping with an average daily wordage of over 106,500, a record for November, the communications unit continued to play a vital backstop role. On the 12th and the 24th it relayed priority and above backlog traffic to Deutsche Welle following 8-hour outages on the commercial circuit. Also during the month the unit protected 104 messages from Vienna and passed 148 messages to Vienna during problems on that bureau's primary circuit. On 12 November Headquarters requested all bureaus to file via London for onward relay over the dedicated line during a downtime on both Headquarters autodin circuits.
2. Internet: Initial efforts to transmit the pressfax signal over Internet proved unsuccessful and testing has now been suspended until after the 1st of the year owing to contractor staffing shortages.

STAT

C. Technical

1. The following equipment was transferred during the month:

To Headquarters: One Rapicom Fax prototype interface unit; one microdyne receiver model number 1100 TVRX24; and one Hewlett-Packard tracking generator model 8443A.

To DCS ASC Croughton: One Stelma Modem 674 (P) complete with frequency determining module.

2. The pressfax operators put in many hours 2 through 6 November when pressfax transmissions were extended into early the next morning to accommodate the GOSR material.
3. BBC announced during the month that the loss of the Caversham generator during the recent storms had been caused by a wiring error on the part of the manufacturer and that this had now been rectified. The Crowsley fault was caused by failure of the generator charger. This, too, has been repaired and a new generator is being purchased.
4. Islamabad: The new longwire antenna for improved mediumwave reception was installed on 11 November. Unfortunately it has had little impact to date on reception of Tehran mediumwave frequencies, the main aim of installing it. Chief, Islamabad Unit has been asked to provide a review of antenna performance.

III. ADMINISTRATION

Personnel

1. PMU Arabic media analyst [redacted] was promoted to FBN 8 effective 8 November. STAT
2. Chief tabulator [redacted] was presented with a 30-year certificate of service during the month. Associate editor [redacted] and teletype shift supervisors [redacted] and [redacted] received 20-year certificates and teletype relay operator [redacted] a 15-year certificate. All five are still awaiting service pins. STAT
STAT
STAT
STAT
STAT
3. Part-time associate editor [redacted] currently on LWOP status, gave birth to a 7 pound 3 ounce baby girl, [redacted] on the 27th. STAT
STAT

IV. VISITS

To the bureau: High Wycombe Base Commander Lt. Col. Lawrence Neveux and Mrs. Neveux on 6 November for a bureau tour and pub lunch; Panama

Bureau junior editor [redacted] on the 3d for bureau familiarization during private UK travel; budget & finance chief [redacted] 8-11 November for talks at the Embassy and the London admin office and [redacted] chief of the Admin Staff, 11-15 November for talks and briefings at the bureau and Embassy. [redacted] also visited Cologne Unit on 10 November.
