[Redacted address]

Dear Ms. Kushner,

Your letter of August 24 to Director Colby has been referred to me for response.

I regret the demands on the Director's time at present are so great, as you can probably imagine, that he will be unable to grant your request for an interview.

It occurs to me, incidently, that some of the questions you voiced in your letter -- I refer particularly to those involving some aspect of US foreign policy -- might be more appropriately addressed to the Department of State.

Thank you very much for your interest.

Sincerely,

SIGNED
