Dear Admiral Turner:

I am delighted to learn that you will meet with our group of Western European industrial and financial leaders at Langley on Tuesday, October 18 at 4:00 p.m. All of us at Time Inc. are grateful to you and I am very sure that this will be a high point of our Update On America '77 visit.

John Steele of our Washington office will be in touch with your office with a final list of our visitors and those of us from Time Inc., who will be escorting them.

Thank you so much for taking time from your busy schedule to do this.

Sincerely,
