CONFIDENTIAL

19 November 1981

MEMORANDUM FOR: Chairman, National Intelligence Council
FROM: Director of Central Intelligence
SUBJECT: Economic Estimate

I received this material for a talk I have to make at the SEC awards ceremony today. It was done by [redacted] in the Global Issues section of NFAC. It is too detailed for me to use in my talk but the matter of disparities in the cost and nature of the financing available to our international competitors is a subject which should be reflected in the long-awaited economic estimate. This may be helpful in that respect.
