MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy Director for Intelligence

FROM: Director of Central Intelligence

SUBJECT: Sharing SDI

1. John McTague, the acting White House Science Advisor, called me about the White House directed study on how to go about sharing SDI. He would like to have us name somebody to work with that group. I would think it should be either somebody that [] would designate, or perhaps [] or perhaps both. The person should certainly have technical and scientific competence.

2. At Dr. McTague's request, Lt. Col. Michael Randine (General Abrahamson's office) and Lt. Col. Joseph Bailey will be here on Monday, 12 May, at 1600 hours for a briefing in preparation for an upcoming NSC meeting. I told McTague I would have a recommendation to make to Colonel Bailey at that time.
