

OFFICE OF THE DIRECTOR

Date: 10 Dec. 1986

TO: Mr. Casey

FROM: Debbie

SUBJECT: Call from John Bross

REMARKS:

Mr. Bross called to let you know he spent an hour and a half with the TIME reporter yesterday; he said the reporter seemed friendly and sounded as though the story won't be bad, but of course you never know.

Mr. Bross is leaving for New Hampshire at the end of next week and did not want to bother you now since he knows you are busy--he will see you when he returns. In the meantime, if you need anything you can reach him in New Hampshire.
