Attention: Mr. William Casey
Director

Dear Mr. Casey:

We're DACTEK. We're in the fingerprinting and identification business. We've been in business for over a decade; we're accepted by the Federal Bureau of Investigation and endorsed by the Fraternal Order of Police.

We have an idea to share with you. We've helped fingerprint over two million children around America with our inkless kit. We urge you to use our kit as part of the Agency family protection program. Our kit is effective for standard forensic science methodology, and for printing Agency employees, family members, and children.

Please seriously evaluate our DACTEK kit. We understand Agency needs.

Very truly yours,

DACTEK INTERNATIONAL, INC.
