U.S. Central Intelligence Agency;
ATTN: Mr. William F. Donnelly, Chairman CIA Info.
Review Committee,
Washington, D.C. 20505.

December 1, 1986:::

Dear MR. DONNELLY, and Hon. Comm. Members:

I have received your letter to me concerning my request, or rather, I should state the disapproval of my request concerning i.e. CIA PERSONNEL MANUAL, and CIA BUDGET, contained in my letter of April 21, 1986. To be quite frank, I was not really surprised, since my request was under the FOI Act (5, USC-552).

Isn't there any other information classification/Review system, other than FOIA? If so and if at all possible, I would like my request to somehow be entered under this system. I have enclosed my information request, on the last page is contained an agreement of mine to keep any documents sent to me as SECRET.

I have been a supporter of the Reagan Administration's efforts, and strides in rebuilding our Intelligence Community. Even, in times of mishaps i.e. the current situation at NSC. I, in other words, am not just a "Fair Weather Supporter of the CIA, and Intelligence Community". I am sure that you might possibly re-evaluate my request; This, I would most appreciate. Thank-you for your help, and cooperation.

Best Wishes.

Sincerely yours; ,
