MEMORANDUM FOR: See Distribution  
FROM: Dave Gries   
SUBJECT: DCI Breakfast for the Senate Appropriations  
Defense Subcommittee on Thursday, 14 August  
at 8:00 a.m.

STAT

Please see attached 13 August memo to the Director regarding the Stevens breakfast, together with as accurate a guest list as we can prepare at this time. Please note that the breakfast is being held in the Executive Dining Room, not the Director's Dining Room. Since the Senators will probably arrive between 7:50 and 8:00 a.m., it would be prudent to be present by 7:50.

Again, please do your best to make your briefings short. The Senators have an extremely busy day ahead of them on Thursday and must leave shortly after 9:00.

Finally, to repeat our overall objectives, we are responding to Senator Stevens' request to give his colleagues a glimpse of what we are doing well and, in the Director's remarks, to explain why we are concerned about potential budget cuts.

MEMORANDUM FOR: The Director  
FROM: Dave Gries   
SUBJECT: Your Breakfast for the Senate Appropriations  
Defense Subcommittee on Thursday, 14 August  
at 8:00 a.m.

We appear to be in good shape for this breakfast. The guest list, including Senators and some of their staff, is attached. The Executive Director, Deputy Directors, Comptroller, NIOs, Office Directors, and Division Directors who are giving the briefings and answering questions are prepared and ready.

Attached are talking points prepared for your opening presentation.

The organization, topics, and format respond to Senator Stevens own request. My only concern is that individual briefers will exceed their allotted five minutes per topic, thus throwing the entire presentation off schedule. Therefore, I have asked everybody to keep an eye on the clock.
