NFAC 4302-81

8 JUL 1981

MEMORANDUM FOR: Executive Secretary, Training Selection Board

FROM: Acting Deputy Director
National Foreign Assessment Center

SUBJECT: Nomination [] for the Federal
Executive Institute

STAT

1. The "I" Career Panel nominates [] for the 35th or 40th session of the Executive Leadership and Management Program, which runs in October 1981 and September 1982. The required copies of the biographic profile, fitness reports and official personnel file are attached.

STAT

STAT

3. [] has been involved during the past several years with the management of NFAC's program on advanced Soviet military technologies and future weapons systems, as well as with evaluating the utility of proposed major [] systems. This role has brought him in direct and continuing contact with both government and industrial programs, and he has established for the Agency excellent work relationships. This background of experience will continue to play an important part in his future career and will permit him to be a superb Agency representative in the FEI Executive Education Program.

STAT

STAT

4. [] has an outstanding future in intelligence. I believe that the proposed program, with its prime objective of facilitating the executive improvement of individuals [] will contribute substantially to his progress into positions of even greater responsibility in the future.
