		Director of Training and Education
25X1	SUBJECT:	Request for Video Production Services
	REFERENCE:	Your Memo to D/OTE (OSO-847-86), dtd 28 July 1986, Same Subject

The Office of Training and Education (OTE) is pleased to 25X1 concur and support your request for use Video Facility and its personnel for a high priority project. The six-to eight-week period of overseas TDY is a concern since this facility is also needed to support many OTE and Agency programs. It is hoped that this aspect of the requirement will reduce greatly when the preproduction processes begin.
