STAT

Chief, Systems Development Staff, OEA

SUBJECT: Request to Speak

1. I request permission to present three lectures at the Institute of Economics, Nankai University, Tianjin, China. I will attend the fourth session of the U.S.-China Joint Economic Committee in Beijing on 19-21 March and have been invited to return to Nankai for the last week in March and the first week in April to continue lectures on and discussions of the index number problems and measurement of real growth that I started in September 1983.

2. The first lecture (see notes under Tab A) is an elaboration of material discussed in September. The second lecture is based on an article I wrote for The China Quarterly (see Tab B). The third lecture is based on the first incomplete draft of a paper that I presented at a conference in Hong Kong in September 1983 (see Tab C).

3. None of the material present in the manuscript is, to my knowledge, classified.

4. [Redacted] I will be identified as an Agency employee but will append the standard disclaimer indicating that the views expressed are my own and not necessarily those of the Agency.
