MISSION COVERAGE SUMMARY

Mission B 1466
26 August 1958

Summary of Coverage

25X6 Mission B 1466, flown 26 August 1958, covered portions of Egypt
25X1 [redacted] Jordan, Lebanon, Saudi Arabia, and Syria. In Egypt the mission
covered the center and north portions of the Nile Valley, the Alexandria
area, the Suez Canal, and portions of the coasts of the Gulf of Suez and
the Red Sea. [redacted]

25X1 [redacted] The mission also covered the northwest corner of Saudi
Arabia, the northwest portion of Jordan, and the Damascus and Homs
areas of Syria.

Quality

Quality of target images for photo interpretation ranges from good
to poor, but poor quality predominates. There was a large amount of
haze, with deep shadows in part of the mission.

544 Strait of Jubal

Categories

Information is listed by categories, as shown in the Table of
Contents. Arrangement within categories is as follows: Airfields and
Urban Areas--alphabetically by (1) country and (2) city or installation
all other categories--by (1) country, (2) WAC number, and (3) degree
square. A geographic index follows the text.

Coordinates

Reference to each item by a single pair of coordinates is a matter
of convenience in data recall. The coordinates used are those of the
southwest corner of the one-minute square in which the item occurs.
In referring to certain targets, such as roads, the coordinates of the
approximate midpoint are listed in the heading and additional coordinates
may be cited in the description.
