The Honorable William J. Casey  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Director:

The Committee has reviewed and has no objection to the higher ceiling adjustment requested in your letter of 2 June 1982. As you recall, the Committee has encouraged a greater emphasis on human intelligence collection and production capabilities, those which will be enhanced by the additional personnel you request. The Committee understands, however, that funding requirements will be accommodated within the existing budget.

With best wishes,

Cordially,

TED STEVENS  
Chairman  
Subcommittee on Defense
