MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with

1. I met with at 1100 today at his request. He is on a one-year rotational with OC which is due to expire on 1 April '86. The purpose of his visit was to explore the possibility of a one-year extension. OC would like it, he would like it, and he was exploring OTE's position. I told him my initial reaction was favorable to the extension, but we would have to evaluate our needs. If he comes back, he sees himself in the classroom, probably in LDD (MTB) or SACTD. I agree.

2. My impression is that we should approve the extension. I will so recommend to the Career Board at the 16 December business meeting.
