The Honorable Don Fuqua, Chairman
Committee on Science and Technology
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you very much for your letter of 4 December 1984 to the Foreign Broadcast Information Service (FBIS) calling attention to the erroneous information in the FBIS Daily Report of 14 November stating that you had met with King Husayn of Jordan. A check by FBIS of bureau files has confirmed that the Jordanian press agency PETRA-JNA incorrectly used your name in its report instead of Congressman Bonker's. As you probably know, FBIS reports news from media sources, but does not make it a practice to confirm the content of the reports.

Sincerely,

/s/Charles A. Briggs
