MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Alleged Disclosure of Classified Intelligence  
to Chile - INFORMATION MEMORANDUM

1. This responds to your letter of 8 August 1986 concerning press references to U.S. monitoring of Chilean armed forces communications. As you are aware, the U.S. knowledge of Chilean information relative to the Rojas incident came from a non-COMINT source.

2. Aside from the Washington Times (Bill Gertz) article of 6 August, which referred to "electronic eavesdropping," the other items all referred to a U.S. ability to "monitor" Chilean armed forces communications. These seem to be generic assumptions of capability rather than a factual statement in terms of the Rojas case.

3. Moreover, according to the press, the (non-COMINT) source has been cut off.

[Redacted]

4. With our inability to clearly identify

[Redacted]

25X1

[Redacted] we advise against conducting the ongoing investigation with a focus towards prosecution under 18 U.S.C. 798. As this incident continues to be played out in the press, we will keep close watch and advise if our judgment should change.
