SUBJECT: Reserve for Contingencies/Congressional Calls

You have already met with Durenberger, Boren, Bradley and Cohen; you are scheduled to meet with Bentsen on Friday, 18 April, and you are awaiting appointments with Hollings and Nunn. Bob and I are planning to split up most of the other Members, but we have no plans for Roth and Specter. If you would like to discuss the Reserve with them--both are potential problems--we can set up either:
