

OCA 0599-88

OCA FILE GAO / Salt  
Rec'd 29 Feb 88

The General Accounting Office has been requested by Senator Helms to develop a detailed cost analysis of the proposed treaty on intermediate-range nuclear forces  Department of STAT Defense officials indicated that the Director of Central Intelligence coordinated and submitted the intelligence cost estimates related to the INF treaty for FY88/89 from the various intelligence agencies.

We therefore request access to (1) the supporting documentation for the FY88/89 cost figures, (2) any available projections of treaty-related intelligence and counter-intelligence costs for fiscal years 1990 and beyond, and (3) break-outs of projected recurring and non-recurring costs.

This assignment is being conducted by the Security and International Affairs Group by Albert H. Huntington, III, Edward Kennedy, and Steven Irwin. They can be reached on (202) 557-1497.
