Lastly, we have attempted to comply with your request dated 3 August, which asks why the Federal Bureau of Investigation disseminated certain documents to the Agency on 22 April 1985 and also for information on certain other Bureau disseminations from 1983 to 1985. With respect to the first portion of the request, we cannot determine from our files the reasons the Bureau relayed this information to us. You may wish to consult the Bureau on this matter.
