Minority Counsel  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510-6475

Dear Mr. Snider:

We met today with Kirk Robertson and Kimberly Weaver, staffers from the Federal Services, Post Office and Civil Service Subcommittee to go over Agency and Community problems with the Commercial Activities Act. You will recall that [redacted] and I briefed you and Keith Hall regarding our concerns about this bill.

The staffers agreed that the Intelligence Community should be exempted. They will write a letter to Senator Reid (D., Nev.) sponsor of the bill, and to Senator Pryor, Chairman of the Federal Services Subcommittee, describing our problems and recommending that they introduce and support an amendment exempting the Intelligence Community during mark-up which is to take place within the next few weeks.

Robertson or Weaver may call you to verify that the SSCI is behind our proposed exemption. I would appreciate your support. If you have any questions, please call me on [redacted]

Sincerely,
