STAT

SUBJECT: House Passes Omnibus, Anti-Drug bill

STAT

1. On 22 September 1988, the House passed H.R. 5210, the omnibus anti-drug bill.

2. We will provide you a detailed summary of its provisions as soon as copies of the version as passed are available.

3. Highlights of the House action included the passage of the Brooks "drug czar" provision and the adoption of a substitute amendment for the original Alexander "Anti-Stonewalling Act" amendment. The substitute removes many of our concerns with the original version.
