FROM: [Redacted]
Legislative Liaison, ICS

SUBJECT: Correspondence on "Helms Amendments"

1. Attached, per your request, is the correspondence we have prepared on the "Helms Amendments" appended to the SSCI's classified annex. We understand that the Office of the Comptroller was not in total agreement with some of the offices we tasked, and has done its own tasking. You might want to check this out since we have not seen anything on paper to confirm it. [Redacted]

2. The only completed action thus far is the requested report on Agency training in combatting Marxism-Leninism and a copy is attached. [Redacted]

3. Let me know if you need anything further. [Redacted]
