DIRECTOR OF CENTRAL INTELLIGENCE

Measurement and Signature Intelligence Committee

Washington, DC 20505

16 February 1989

MEMORANDUM FOR: Chairman, Joint Atomic Energy Intelligence Committee
Chairman, Scientific and Technical Intelligence Committee
Chairman, Weapon and Space Systems Intelligence Committee

SUBJECT: Preparation of the DCI's Guidance for the MASINT
Reconnaissance Program - FY 1992-2001 

25X1

1. We have recently tasked the MASINT Committee Subcommittees and Working Groups to review and update the DCI's Guidance for the MASINT Reconnaissance Program - FY 1991-2000. The tasking letter is included as Attachment 1. Attachment 2 is a copy of the guidance document for your review.

2. You are invited and strongly encouraged to participate in the preparation of this update. You can send a representative to any of the working group or subcommittee meetings in which you believe that you have a vested interest. I have informed the working group and subcommittee chairmen that your participation will be requested. I suggest that you contact these individuals directly and express your interests.

3. I must caution you that we must insist on a rigid schedule. Your comments and inputs must be received and discussed within the particular working group or subcommittee by a time defined by the working group and subcommittee chairmen, which is constrained by a requirement to furnish an initial draft to the MASINT Committee Staff by 1 May 1989. Due to the lengthy review, coordination, and publication process we cannot accept major inputs after this time. Our requirement is to publish the document by 30 September 1989, which is necessary to ensure that our guidance will be considered by the Program Managers in the 1992 program build. I thank you for your cooperation in this matter.
