THE WHITE HOUSE

ER 90-0154

WASHINGTON

January 4, 1990

MEMORANDUM FOR THE SECRETARY OF STATE  
THE SECRETARY OF DEFENSE  
THE SECRETARY OF COMMERCE  
THE SECRETARY OF AGRICULTURE  
THE SECRETARY OF ENERGY  
DIRECTOR, OFFICE OF MANAGEMENT AND BUDGET  
DIRECTOR OF CENTRAL INTELLIGENCE  
DIRECTOR, OFFICE OF SCIENCE AND  
TECHNOLOGY POLICY  
ADMINISTRATOR, ENVIRONMENTAL PROTECTION AGENCY  
DIRECTOR, NATIONAL SCIENCE FOUNDATION  
PRESIDENT, NATIONAL ACADEMY OF SCIENCES  
DIRECTOR, NATIONAL INSTITUTES OF HEALTH

SUBJECT: U.S. Participation in the International Institute  
for Applied Systems Analysis (IIASA) ☐

STAT

Following a review conducted by the NSC's Policy Coordinating  
Committee on Oceans, Environment and Scientific Affairs, the  
President has determined that:

- (a) IIASA continues to do useful scientific work and merits  
continued support by the U.S. ☐
- (b) Based on the Intelligence Community's assessment, there are  
no national security concerns at present associated with  
U.S. participation in IIASA. ☐
- (c) The National Science Foundation, working with the Department  
of State, EPA and other interested agencies, should take the  
lead in negotiating during 1990 a restructured organization  
with IIASA and its members. These negotiations should cover  
the institute's mandate, program areas and funding  
mechanisms. The NSC and OSTP will provide policy guidance  
as necessary. ☐
- (d) While these negotiations are taking place in 1990, the U.S.  
should continue a policy of funding IIASA projects, although  
on a multi-year basis if appropriate. ☐
- (e) The Director of OSTP should inform the American Academy of  
Arts and Sciences of these decisions. ☐
