Mr. William Webster
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Director Webster:

One day, a friend in the Secret Service asked me why there weren't any motivational items for federal agency employees.

After a lot of thought, this slogan shirt was designed for your agency's hard-working employees as a great morale-booster and gift for the holidays.

Having been in political media for a decade, I've learned that there's nothing better for a campaign or team spirit than a positive, catchy message to unify the group. "Freedom is a CIA plot" has all the elements: it's amusing, memorable and gets right to the heart of the matter--and it's inoffensive to the public.

They come in several styles with either navy letters on white or white on navy: T-shirts, sweatshirts and long-sleeved T-shirts. We also have a workout tank top "muscle" shirt for the gym, which has black letters on grey--especially useful for trainees; and white-on-navy bumper stickers.

We are also capable of turning around other shirts for your agency very quickly.

All shirts are the highest quality 100% cotton from American manufacturers. Hanes or Fruit of the Loom. (M, L, XL sizes)

Orders can be filled within 12 days and will be shipped C.O.D. by the United Parcel Service. Add \$50 per hundred shirts for shipping, packaging and handling.

I know you're a very busy man and I thank you for your time. I hope we'll hear from you soon.

Very Sincerely,

A handwritten signature in dark ink, appearing to read "Dee Covey Shoup", with a long horizontal line extending to the right.
