STAT

The next "RR" Career Service Sub-Group Panel Meeting has been scheduled for 0800 - 1700 hours on 10 - 11 October 1979 in Room 812 Chamber of Commerce Building. Attached are the proposed agenda, ranking worksheets, and a list of the questions we will be trying to answer at the panel meeting in order that Support Branch can prepare ORD's response to the Annual Personnel Plan, the Personnel Development Plan, the EEO Plan, and other personnel and training forecasts with the minimum involvement and disruption to ORD divisions. Please review the proposed agenda and suggest any needed changes. Please rank each grade group 1 through n in terms of the individual's value to ORD and return your completed worksheets to Support Branch "EYES ONLY" by COB 3 October. Please review the list of questions and be prepared to discuss them at the panel meeting.
