

STATSPEC

Tuesday - 23 May 1950

1. Staff meeting with the Executive regarding NSRB proposals for reorganization of vital agencies.

3. Discussed STATSPEC [redacted] problems with Mr. George Wilson, Office of Sen. Knowland, in connection with political implications arising therefrom. Mr. Wilson suggests our approaching VA and FHA in connection with the financing for the real estate development at [redacted] in an attempt to have these agencies finance only on an agreement that the utilities would be placed underground.

STATSPEC

4. Also discussed with Mr. Wilson problems arising out of the House Appropriation Bill. He suggests direct approach to Senator McKellar in writing seeking specific exemptions for CIA, and alerting friends on the Committee as to our problem.
