Memorandum for: Chief, International Organizations Division

Subject: Investigation of Tax-Exempt Organizations

1. Reference is made to your memorandum to me, subject as above, dated 17 November 1953 (LS-6182).

2. It is suggested that you inform the head of [REDACTED] that they should advise you immediately upon receipt of any questionnaires from the House Committee investigating tax-exempt organizations. If they or any other of your organizations should receive such questionnaires, we can immediately set machinery in motion to do everything possible to protect them. We have secured a security clearance on the Committee Counsel in case we find it necessary to approach him and I also have some informal channels to him if needed.
