MEMORANDUM FOR: Chairman, National Intelligence Council

FROM: Charles E. Allen
National Intelligence Officer for Warning

SUBJECT: Participation in Warning Conference

25X1

1. I am hosting a Washington Area Operations Center Chief's Conference
 on 26 and 27 May and would very much appreciate your delivering the keynote
address. A tentative agenda and list of prospective attendees are attached

2. What I recommend would be a provocative account of how intelligence is
and is not used in Washington to guide policymakers in their actions, both during situ-
ations calling for crisis management and during periods when threat management can
be employed.

25X1

3. Of course, you are welcome to participate in additional portions of the con-
ference, if your schedule allows.
