MEMORANDUM FOR: Commander, FSTC
Commander, ITAC
Director, MSIC
Director, AFMIC
Chief of Staff, AIA HQ

25X1

FROM: [Redacted]
Planning and Policy Office (PPO)

25X1

SUBJECT: Recent Activities at IC Staff [Redacted]

25X1

1. This is my first report to you since mid-summer. [Redacted]

2. Since my return to work, things have been as active as ever. Attached are the "Activity Log" for September (Attachment 1), a briefing given to BG Stewart on the proposed Intelligence Community Staff's Orientation Visit to MSIC (Attachment 2), a report for BG Stewart highlighting activities since July (Attachment 3), and a copy of a recent Science and Technology Advisory Panel report on Office of Scientific and Weapons Research's ALERT/ATLAS project (Attachment 4). Please call me if you have any questions.

3. As you know, [Redacted] from FSTC has been selected as the next AIA rotational assignee to the Intelligence Community Staff. If all goes well with her in-processing, she will report for duty in early November. My last day at PPO will be 6 November. This year has been a highly educational and rewarding experience for me. I hope that AIA HQ and the Centers have also

benefited--if not monetarily, at least in terms of heightened awareness at the Intelligence Community Staff of AIA's capabilities, interests, and concerns. Before I leave, I would appreciate feedback on ways to improve what this position can do for you--I will share your comments with [REDACTED] [REDACTED] (D/PP0), and BG Stewart.
