Dear Carol:

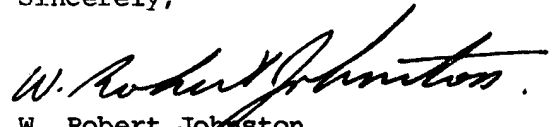

Janet Flint, our Curator of Prints and Drawings, has learned from Garo Antreasian that duplicate impressions of New Mexico II are no longer available. However, enclosed is a copy of a checklist he sent her of some of his more recent works, the prices for which range from \$375 to \$750. Mrs. Flint has selected from that group one color lithograph which sells for \$450. Under the circumstances, we would consider this to be as nearly as possible replacement in kind.

If you are still able to make this replacement to our collection for the lost Antreasian lithograph, we would greatly appreciate your initiating a transfer of funds or sending a check for the amount of \$450 to this office, payable to Smithsonian Institution. Please advise us of your plans.

After all this time it will be good to have the matter closed. We much appreciate your assistance in all of these matters.

With best regards,

Sincerely,

  
W. Robert Johnston  
Registrar
