FRG 62 vladimir ostrogorskiy on frg chancellor helmut kohl's  
US missile most recent government statement on results of williamsburg summit  
W. Eur meeting. once again, kohl reiterated his unconditional support  
for u.s. president reagan's aggressive policy and demonstrated  
his tolerance toward washington's economic policy, which is in  
detriment of washington's allies. most important aspect, however,  
was that referring to plans regarding deployment of u.s. medium  
range missiles in western europe. all this runs counter to kohl's  
previous statements on his determination to maintain a continuity  
in bonn's foreign policy, ostrogorskiy asks? bonn should be aware  
that frg has much to lose in a possible military confrontation,  
and very little to gain from unconditional solidarity with united  
states that ignores interests of its allies whenever it deems  
useful (9 min: german 1600) US
