32 commentators answer listener's questions: nikolay gorshkov

replying to welsh listener asking why usa turned from neutral

to right extremism, recalling monrow doctrine, keeping out european

interference in americas for benefit of usa, mentioning in 1918

america vigorously interfered in europe and russia, where a

revolution had taken place, nonintervention in thirties with

effect to germany contributed to causing ww2, noting marshal

plan which was set up ostensibly to save europe from east while

harboring a real threat from west, stressing that u.s. missiles

in europe pose a threat to whole of mankind. (enguk 1900)

US

33 summary izvestiya "duplicitious criteria for same

objective" recalling various american political moves seeking to

recover role for america as gendarme of world, and to carry out

neocolonialist domination schemes, citing examples on how

u.s. recently opposed a security council vote calling for an end

to israeli savage practices against arabs, u.s. provocations

against libya, intervention in chad with help

of its so-called friends sudan, egypt and zaire, mentioning that

america is now also loyal friend of counterrev in nicaragua,

concluding that duplicitious practices endanger world peace, and

so should be condemned. (arabic 1730)
