Dear

Enclosed for your perusal is a list of the elements in the physical examination. If you think of additional items you wish to include, or if you desire further information on the items listed, please do not hesitate to call. We will, of course, provide a detailed description of the tests along with the analyses, some of which will be available to you before the end of August.

With best regards,

H. E. Puthoff, Ph.D.

Electronics and Bioengineering
