

Project 8035
Session DCC-56
#14 Iler
#8 Rler
210900 May 1981

Down on a white bldg 5 or 6 mile SW
of a city

During cool down had to fight off

** There is a city in the vicinity of the
target, tell (#1) that and have him
clear, then go to coordinates

- 10,000 ft Water & left. Border up north. Border
on west.
like Lebanon but probably overlay

- 500 ft Still city still white arches.

- Activity, describe

activity with some like bldg.

28 May

Street fighting - block to block, street to street

Troops in camera light sandy
portion of population - rag-tag.

tank activity - heavy immediately sub-
sequent to 28 May 1981

columns or rows of tanks sweeping
entire city

medium & heavy
flatish turret

gun tube is long - no "choke" at end
sand bags on rear

+30 ~~HA~~ Have him look at the side of tank and
look for the skirting - just go ahead
and ask him - it may be a
Centurion or something.

15 wheels

tread width 18 " wide
