MEMORANDUM FOR ADCSOPS-HUMINT

SUBJECT: CENTER LANE Briefing to Congressional Intelligence
Committee Staff Members (U)

1. (S/NF/WNINTEL) On 20 February 1985 from 1500-1600 hours DIA will present a briefing to Staff members of the Senate Select Committee on Intelligence (SSCI) and the House Permanent Select Committee on Intelligence (HPSCI) on the DIA psychoenergetic intelligence program. On 11 February 1985 Dr. Vorona, Assistant Deputy Director for Scientific and Technical Intelligence, DIA requested CENTER LANE (CL) participation in the briefing to present an overview of completed intelligence collection projects. It is anticipated that the CL portion of the briefing will be a review of 10 to 12 projects and how they assisted the intelligence community.

2. (U) Known HPSCI and SSCI Staff members who will be present at the briefing are:

- a. (U) Thomas Lattimer, Staff Director, HPSCI
- b. (U) Mr. Robert Surrett, Staff Member, HPSCI
- c. (U) Mike O'Neil, Chief Counsel, HPSCI
- d. (U) Martin Faga, Staff Member, HPSCI
- e. (U) Mr. Elliott, Staff Member, SSCI

3. (S/NF/WNINTEL) The 20 February briefing is one more in what likely will be a series of briefings to gain support for the new psychoenergetic program. The CL Program Manager will continue to notify the ADCSOPS-HUMINT of these "high visibility" briefings throughout the attachment period, unless otherwise directed.
