- 1. I think this is a mirror trick for DIA to have some time to get the "spaces".*
- 2. The people in CL are from "other spaces" in INSCOM where we need full. If they are detailed, we cannot fill the spaces. However, my main concern is that the detailed people are*

whatever, they are "my guys"  
when I said I was out of  
the business. INSEOM will  
look dumb.

let's try to get spaces
