 animal
 noise

relatively low
 quadrangular
 flat top
 different level
 rambling
 A/B/C strange feeling

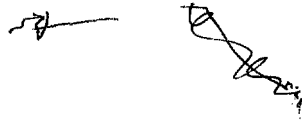

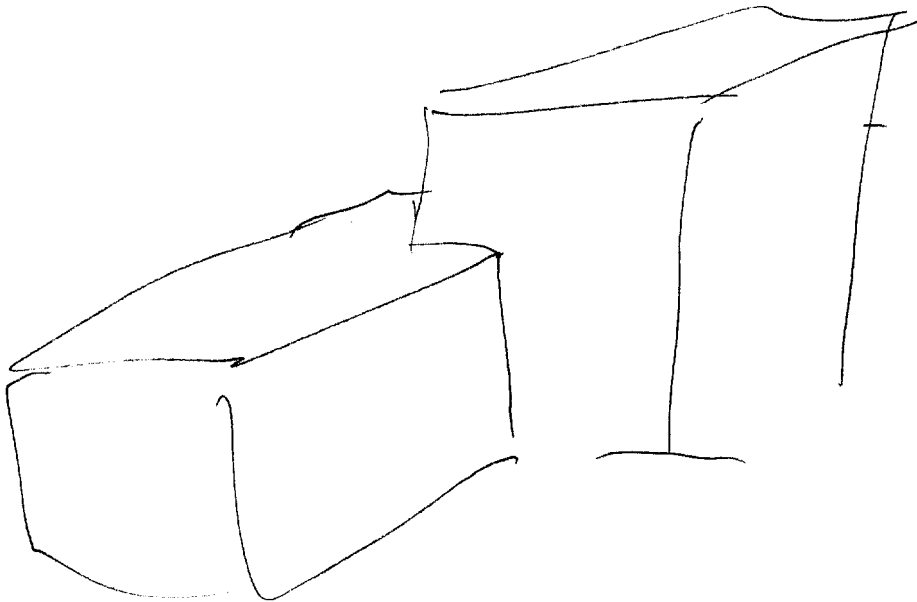

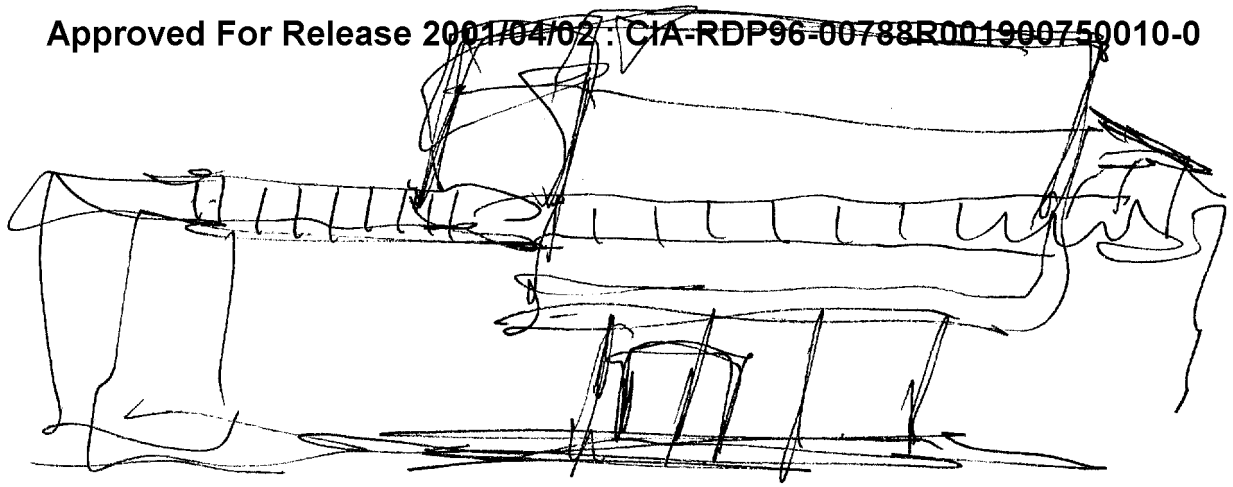

interim summary

area is dry, gravelly, has several bldgs, which are light yellow, tan, brown, low, rectangular, flat roofed relatively low, with flat tops, different levels, rambling

ADL Brock
wire mesh
parts of no gate
Naco, AZ.

ADL Blk
facade

Center of interest is a building that has two levels or stages, one on top of the other, but smaller in extent. Other bldgs group around it, & there seems to be a structure perhaps a parking area top of 2d stage
