FRONTLOAD:

" THIS IS A TARGET WE HAVE WORKED BEFORE. I WILL BE ASKING YOU TO ACQUIRE THE SITE AND TO MOVE TO A SPECIFIC BUILDING ON THE SITE:

SG1A

[REDACTED] I will WANT YOU TO TAKE A TOUR of the building learning the overall purpose of the facility as well as identifying areas of special interest. Following your tour I will ask you to TELL ME ABOUT THE BUILDING and provide you other tasking."

SG1A

→ 304701 / 139346 , [REDACTED]

★ GREEN, OPEN, large area, ~~found~~ man made ground, enclosed, FENCE (RAW DATA) RUNNING around, barrier, protection, security, KEEPS THINGS IN AS WELL AS KEEPS THINGS OUT

SG1A

→ [REDACTED]
★ PASSING some small buildings, low, natural roof - partially underground, these aren't the right ones OK OK - large, newer building, walkway, man-made benches, concrete, some type overhang, daylight here, entering

→ INSIDE - move through the building, note its overall purpose, take your time, I will wait.

4

2

→ Describe your perceptions

★ Large building, general purpose is substantive and improving upon that which is known already, not finding new things - improving on old things -
 Specifics - Various areas - Has both military and civilian feeling - Military are specialist -
 Antiseptic smell, scoured smell, glue smell, very clean and sterile, filtered, moving on -
 Something to do with mixing of chemicals - liquid chemicals - Moving towards center -
 Object - large metal - rotatable - like a machine gun sword - easy to move around, possibly plastic - larger in bottom than top -
 doesn't taper - components - front - long cylindrical, off grey muted shine color - very very heat resistant (Teflon) - inside cylinder - Black dark - rough -
 Perhaps some area - perhaps other area -

→ OK

★ Circular, glass, different sizes, ground, precision, thick, multitudes something to do with light refraction, passing through - continuing to move - Large room (AOL) computer center

→ Raw Data

★ Many men, white coats - some white coats over khakis - machines

→ Describe these machines

★ Tiered in rows, back row higher, brightly lit, bright light, many men running these machines, standing not sitting, Blue, Black, Black indented NOT a screen - changes color, Midnight Blue but not a solid - liquid or vapor - lots . . . of switches, lights, holes, top row

3

of devices, people sitting - noise people talking -

→ Describe the noise

* 2222 KerchUNK - 2222 KerchUNK -
Rhythmic - Hmm - - off to left a low
separate machines - ~~3~~ maybe 4 - large
typewriter colored

→ typewriter colored

* I know the color but I can't say it

→ OK more or

* Machines Two AsC like teletype - key punch -
key punch more correct - this room is auxiliary
to general purpose - moving again - Raw Data -
large room - - high ceiling, gallery around
top behind blue glass - like operation room - looks like
conference room - Raw Data - Long table,
carpet, large square board or screen -

→ The table Describe

* Long narrow Not too narrow - corners shiny -
nut wood The wood silicone, reflective, smooth
cool

→ touch the table

* Black, smooth, cool, has a ~~2~~ grain, no sense -
Raw Data - corner - under gallery - stacked
beach chairs - Raw Data - stacked 4/5 high,
pattered, look like Directors chairs from empty
now

4

→ Stop now. This has been very good. I want you to relax now. take a moment to relax. I want you to move one year into the future from the time you are viewing now and describe the activity

★ Uniforms, dress uniform, more military feel -

→ Is the activity the same as before

★ Activity less seeking - now a purpose - activity is finalized - trying to describe feeling - activity more military activity gone from Brain Storming Search - to → specific areas - Not as much freedom here now - not --- more structured - more planned - know where they are going - MBO (manage by objective) before - "do this see what happens" - slower pace now

→ Is the activity continue continuing from before?

★ Yes - in a way -

→ describe

★ not precise, altered, changed, specialized, much has dropped out, pared off, keyed down, change of perspective. Activity now result of year ago but is different -

→ What is different

★ There is (need to get this out) - much more military, Prim. military specialist replaced by military bureaucracy -

→ Are there other differences

5

- ★ less research feeling, less freedom to ~~proceed~~ pursue to conclusion - more direction, more control.
No feeling of urgency - time before either - In a way building has matured in one year - Raw data - prior youthful exuberance, enthusiasm, curiosity, now somber, sober
Get the job ~~done~~ done
- Was previous activity now considered success one year later -
- ★ considered groundwork, building block - successful enough.
- Hell away now and move back to our time
move back in time and as you return
more to your sanctuary.

SITE IS A FENCED IN
COMPOUND WITH A MIXTURE
OF OLD AND NEW BUILDINGS
AREA HAS A WOOLLY FEELING.

SG1A

[REDACTED] IS A LARGE
MULTY STORIED BUILDING.
BUILDING IS FAIRLY NEW.
PURPOSE OF BUILDING IS
"SUBSTANTIAL" AND TO IMPROVE
ON WHAT IS ALREADY KNOWN
AS OPPOSED TO DISCOVERING
NEW UNKNOWN.

PARTS OF BUILDING HAVE
A STERILE, SCRUBBED FEELING.
AND SMELL OF ANTISEPTIC AND
BLEACHING. FARTHER DOWN
IS AN AREA WHERE LIQUID
CHEMICALS ARE MIXED / COMBINED.
FURTHER ALONG IS AN AREA

2

WITH A LARGE DEVICE (SEE
SKETCH) ON SOMETHING THAT
LOOKS LIKE A MG. SWIVEL.
THIS DEVICE HAS A CYLINDER
THAT IS A MUTED SHINY
GRAY ON OUTSIDE AND A
ROUGH BLACK FINISH ON
INSIDE. THIS DEVICE IS VERY,
VERY RESISTANT TO HEAT.

PERHAPS IN THE SAME
AREA OR MAYBE FARTHER
ALONG IS AN AREA OF
GROUND GLASS IN VARIOUS
SHAPES AND SIZES. GLASS
IS THICK AND IS CONCERNED
WITH LIGHT (SEE SKETCH)
SOME LIGHT REFRACTED
SOME PASSES THRU.

FARTHER ALONG IS AN AREA WHERE MACHINES ARE TIERED IN 3 ROWS WITH A LARGE NUMBER OF MEN. THIS AREA IS NOT THE PURPOSE OF THE STRUCTURE BUT IS AUXILIARY TO THE PURPOSE. THERE ARE FOUR OTHER MACHINES HERE THAT ARE LIGHT TAN IN COLOR AND LOOK LIKE KEY PUNCH MACHINES.

FARTHER ALONG IS A LARGE ROOM WITH WHAT LOOKS LIKE A GALLERY ACROSS THE TOP (LIKE AN OPERATING ROOM) (SEE SKETCH). ON FLOOR OF ROOM IS A LONG OBLONG OBJECT THAT LOOKS LIKE A TABLE BUT IS MADE

OUT OF MAN MADE
MATERIAL. THIS ROOM
IS ALSO AUXILIARY TO THE
PURPOSE OF THE BUILDING.

ONE YEAR FROM NOW
THERE IS A MUCH MORE
MILITARY FEELING. WHEREAS
EARLIER MOST OF THE
MILITARY HAD BEEN SPECIALIST
NOW THE ENTIRE MILITARY
BUREAUCRACY IS ENTRENCHED.
PURPOSES OF BUILDING HAS
FUNNELIZED ~~BE~~ BECOME
MORE SPECIFIC. EARLIER
EXPERIMENTATION, BARN STORMING,
BRAINSTORMING WERE ENCOURAGED
PEOPLE HAD FREEDOM TO
FOLLOW THINGS TO CONCLUSION

Free wheeling, AND IMAGINATION
ARE NOT ACCEPTABLE.

YOUTHFUL EXUBERANCE,
ENTHUSIASM AND CURIOSITY
ARE GONE REPLACED BY
SOBER JOB TO DO BY
DEADLINE FEELING. MANY
OF THINGS GOING ON NOW
ARE DROPPED A YEAR FROM
NOW.

A YEAR FROM NOW
WHEN I ASK A MAN
IN A BROWN UNIFORM
WITH MANY MEDALS IF
WHAT WAS GOING ON
HERE A YEAR AGO WAS
SUCCESSFUL HE REPLIES
"SUCCESSFUL ENOUGH."

WHAT'S GOING ON

Here now provides the
BASIS FOR WHAT will
be going on THEIR A
Year from now, however
it will be altered, pared
down, CHANNELIZED AND
REGIMENTATED.
