

# Presser for the Release of Hostages for Christmas?

newscast 18 Dec 89 reveals 1808

substantially the following:

- Israeli officials are making a deal with Iran to purchase several million dollars worth of oil. This is directed against the so-called common foe, Iraq.
- Iran will also benefit from purchase of (US manufactured) munitions (armament) sorely needed to replenish its mostly US based, bought, stock.
- This is being done with the (tacit?) approval of the US Government
- The purpose is to free the three Israeli hostages, and possibly, the US hostages
- A previous (secret, unpublicized) meeting took place between an IS representative and an Iranian representative in a foreign country (Switzerland?)
