WORKING PAPER

Project: 8923  
Date: 890629  
Viewer: 018  
Session: 01

SUMMARY OF INFORMATION: SGFOIA3

1. (S/NF/SK) [REDACTED] present location is in the northwestern portion of Washington State (see dowsing maps, page 1A and 9A). There was a second impression that he would be in the southwestern are of Colorado in time to be captured. SGFOIA3

2. (S/NF/SK) [REDACTED] present appearance is that of a very tall, muscular man. He is dressed in work pants w/suspenders, heavy work boots, a flannel work shirt which is dark green & black plaid. He has on some kind of U/I hat or cap at which I never could get a good look.

3. (S/NF/SK) I got impressions of an alias of either "Jim" or "James", with a last name of "Brown". I also got an impression of him being called a nickname by his fellow workers. That nickname was "Tank" or "Tankard". SGFOIA3

4. (S/NF/SK) [REDACTED] is presently working at a quarrrysite where very white, granular material is being quarried (see drawing, page 7). He appears to be a common laborer, since he carries a shovel with him, and uses it.

5. (S/NF/SK) He lives in an old residential section of a fair-sized city or town. The house where he is living is a very old and ill-kept 3-story house among trees. The yard is bald in spots and has some junk lying around (see drawing, page 5A). Surrounding houses are old. One has a greyed wooden fence. He is living with a woman and at least one child. The woman appears to be very thin, and not well dressed. The child is of at least 1st year school age. The child is very pudgy. Both are caucasian.
