Control Person No. 101 Date Task Initiated _____

Date of Input _____ Suspense Date _____

Task/Target No. 92-109-P-BK

Control Person Guess:

The target is a man but not an American. He is older, probably in his sixties, not overly tall for a man about 5'6". He has lots of white hair. He must be an famous author because he is sitting at a table that is piled high with books that he is autographing. There are many people in this room watching him.
