Interim Summary:

There are two vessels at this port that were carrying drugs on 20 July 90

One of them has a white hull and a red superstructure. The superstructure is approximately mid-ship.

The other vessel is dark blue. Something about this vessel is rounded, curved and has grooves in it. It also has rows of ^{like} round bumps on the side of the hull.

~~Both vessels~~
 The drugs on both vessels appear to be marijuana.

Summary

SG1A

The port of [REDACTED], is long, coming to a point on one side and more rounded on the other side. A curved, hard, grainy ~~land~~ strip of cleared land comes off to one side of the port. On 20 July 90, there were two vessels at this port that were carrying drugs. The drugs on both vessels appeared to be marijuana.

One of the vessels has a white hull and a red superstructure, located ~~the superstructure~~ approximately mid-ship.

The other vessel is dark blue. Something about this vessel is rounded, curved and has grooves in it. It also has rows of little round ~~bumps~~ bumps on the side of the hull.
