O32 has developed great trust for the I/A/B process--- his stage 1 is immaculate, hence his easy facility with stage 2. O32 experienced his first AI today (he was so hot, he was sweating) though he didn't realize it until after the session when it occurred to him that for once the CRV room wasn't hot.

COLONIAL WILLIAMSBURG

Restored capital of Virginia, eighteenth-century America lives again for the
 to see and enjoy. In preparing the painting, the artist has omitted many trees to
 streets. Only those structures rendered in color are parts of the historic area.
