~~Water is~~  
 Site is land water <sup>at Border</sup> &  
 Structures.

Water white & blue in color.  
 Water is hard, cold, soft  
 smooth, ~~wavy~~ & has a  
 roaring, rushing & waving motion.

Water is clear, crispy, a very  
 cold but has a dirty taste  
 & salty taste.

Water is <sup>very</sup> spacious, thick wide  
 & dense & has verticalness <sup>over</sup> to it.

The water makes me  
 feel buoyant like I'm  
 riding a wave & I  
 Don't like the taste of  
 the water.

This is a cold place.
