Interim summary

structure is large^{ly} domed ^{parts} facade, open + airy. Colors used include gray, blue, white, ~~something~~ black, green. Roof is high. Something with water. And people are present. Reminds me (AOC) of a mosque. ~~and/or~~ previous. dome site. There are people. There is motion + activity and it's loud. There is also - pulsing sound.

(Don't feel that this a work place but is someplace people go like AOC a concert hall.)
