OBJECT —

something rounded, curved, arched, with something
flat across the top — like the feeling of a bridge

personality — the subconscious is the
the subconscious is the subconscious
the subconscious is the subconscious
the subconscious is the subconscious
the subconscious is the subconscious

PERSON — feeling of like a tree — tall, strong, rugged
dressed in black suit — overwhelming association
with a Abraham Lincoln type character —
like a self made man — ahead of his time —
quite often misunderstood frequently misinterpreted and taken
out of context — what I'm trying to say is that people have
taken his work and by ~~adding~~ their own interpretation
have totally changed it to be hardly recognizable —

ACTIVITY — much thought goes into the activity ~
an awful lot of concentration. Inventing, conceptualizing,
imagining, writing ~
