flag. Part of origin
place - Green yellow
white, blue,
Cold place - It was
newly identified
object was here.
Maps
colors

Origin - good

Tom came a trouble photo
load, very, hard, to see
same.

Breakage 1000. Area
windy, closed complex
~~Accounts~~
~~Technicians~~
~~Specialists~~
there.

Some important
people there also.
Tom who actually

Hope going crazy -
This case needed
much help.

Didn't complete mission -
accomplishment - there
was a fault can be
found at assembly
plant. However, ~~can~~
see the period
difficultly maladjustment.
Ain able to succeed -
fault found then
complete mission.
Command control -
found fault - still
mission not accomplished

3

Israeli + Soviet -

^{Bluest}

Greenland, Iceland

^{Soviet} Soviet Israel

Bluest flag that there
had big Bear influence

- on liting from the West
Soviet desert zone

came
from

Soviet - outer Mongolia

to paint 13 flags -

Afghanistan

Green

Red

yellow

Algeria - Israeli

Israel - Y

shipped out thru Y Pakistan
Scientist from

Problem with
energy combustion

lower energy conts.

Was dangerous -

it landed where -

there is Israelis -

Pakistan brought in for
review board.

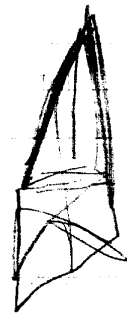

originated from Mongolian
orbiting -

This could be called

a disaster -

losing intelligence

Sovets

Windy
target area closed in complex
specialists
VIPs -
and men that do job

once ready to take off.
it was cleared out -

defense Ministry was there

Women

assistants

people wearing ear phones

little men,

men waving their arms.
