Inside the room

SZ D AE EI T I AOL AIS

flicking sound  
dark

fluorescent green lighting  
flashing numbers & letters  
people mixed

concentrating  
separately involved

not talking

ear phones

isolated

As per ch -

like each  
person on  
doing his

own thing  
independently

5<sup>2</sup> D AI EI T I AN A/S

see/see -  
reminds  
me of FS  
Angberg  
see/see  
like a  
good center

A lot of people sitting in a darkened room independently  
(by each other) receiving / decoding incoming  
signals (in the form of letters + numbers).

A/S - building devoted to multi-disciplined operations  
co-located with agency headquarters Ad-shah-hi  
CEA  
NSA

well-type storage area (SICF)  
papers
